

how to buy a cca yearbook

raven readiness

you can purchase a book during **Raven Readiness** days at CCA. There are people on hand to assist you with the purchase. There are a variety of methods of payment available onsite. For more information about Raven readiness, click here: [Raven Readiness](#).

online

to purchase online, go to the **CCA Webstore**. Of course, this is a single option payment method - credit card. You would never use your debit card...right?

cca finance office

not into the big crowds at Raven Readiness? Need more personal contact than your computer? You can always visit the CCA Finance Office in person. It is easy to find, right under the marquee, looks like the ticket window for the gym... because it is. Old school finance here: Checks and cash.

pricing

if you have an ASB card, books are currently selling for \$100 even. If you don't have an ASB card, get one. If you insist on not getting an ASB card, your price is \$110. You can get the ASB card and yearbook (and myriad other raven items) at the Webstore or finance office.

Checks made payable to CCA ASB. For your records, perhaps put "yearbook" on the memo line.
